

We are working to improve access to health care for you, your family, and your neighbors through **outreach**, **education**, and **research**.

49<sup>th</sup>/51

## Kentucky Ranked at the Bottom for Health Outcomes and Healthy Behaviors<sup>1</sup>

**2 out of 3** Kentuckians surveyed had to forgo medical care or medications due to cost.<sup>2</sup>

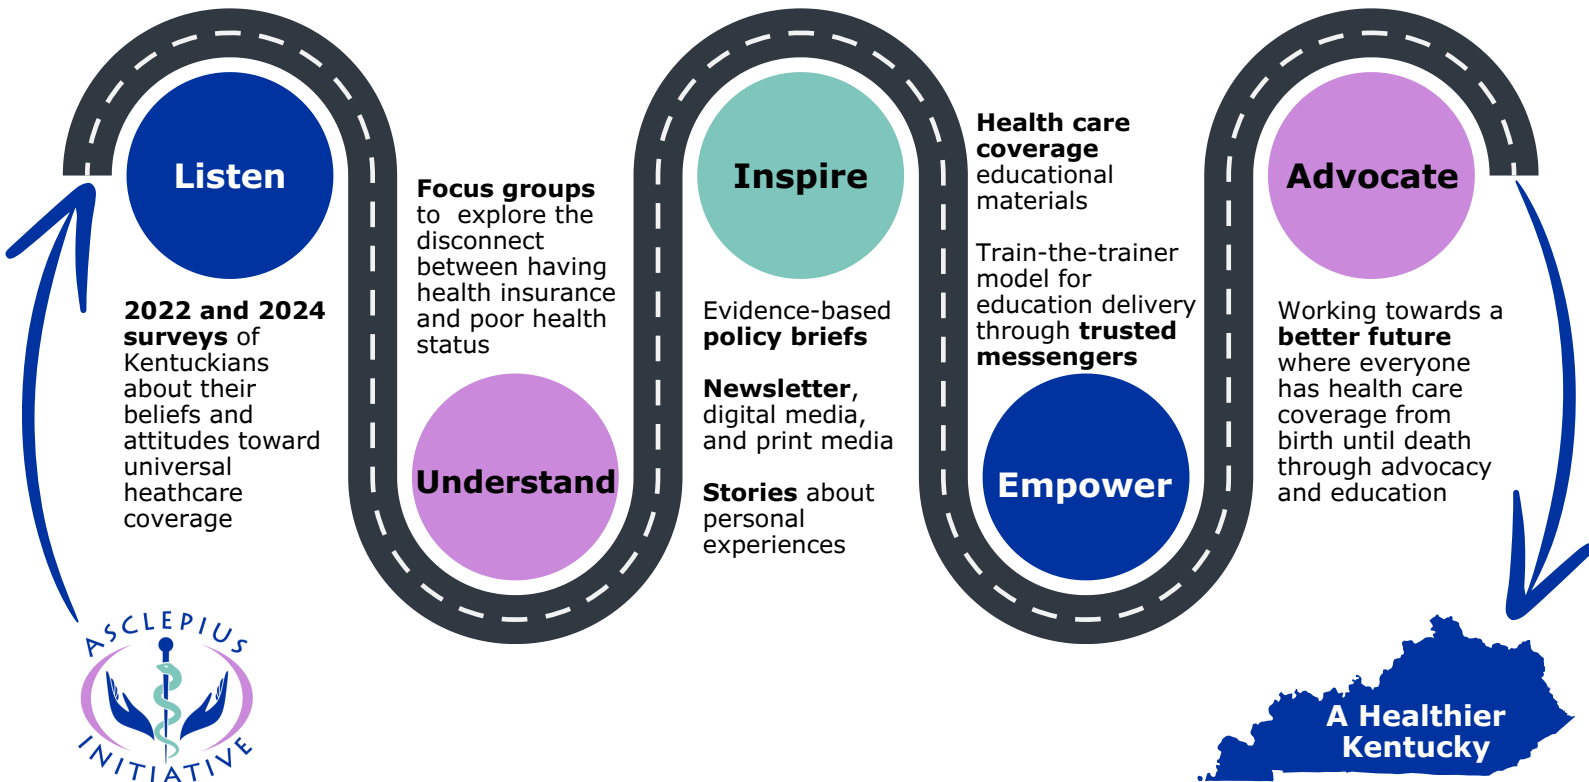

### We Believe:

- Your medical care should be decided by you and your doctor.
- You and your family should have access to care when you need it.
- Health care should be affordable, regardless of where you live or work.

# Our Roadmap for Change

## All In, All Insured

Your gifts and other support help us reach Kentuckians across the Commonwealth and further our mission to create a healthier Kentucky by educating, inspiring, and mobilizing others to advocate for universal healthcare coverage.

### Your Donations Help Us:

- Identify and build awareness of evidence-based healthcare policy issues affecting Kentuckians
- Increase health care coverage literacy
- Be a catalyst for change
